

22nd ANNUAL ISSSEEM CONFERENCE

Thursday June 12th - Saturday, June 14th, 2014
UNITY VILLAGE, MO (A suburb of Kansas City)

ISSSEEM, the premier Subtle Energy, Energy Medicine Conference is moving from Colorado to Kansas City.

This year's conference explores *Seen and Unseen Realities*. *The format will be highly interactive and structured much like a retreat.*

Prior to breakfast there is an opportunity to meet for an hour with **Bob Nunley** for meditation, chanting, and divine singing, followed by an hour of guided Qigong and Tai Chi with **Roger Jahnke** in the Labyrinth Circle. *Morning and Evening sessions with featured presenters will take place in the main Activities Center Auditorium.*

THURSDAY MORNING Norm Shealy introduces Transcutaneous Acupuncture using his essential oil, 'Bliss.' Norm's presentation is followed by computer technology pioneer and theorist **Federico Faggin**, with whom we will explore the Union of Science and Spirituality.

THURSDAY EVENING we hear inspirational music by the **Green Spirit Band** followed by **Heidi Svoboda's** Gong Meditation that will surround us with the incredible sound and vibrations of large Tibetan gongs.

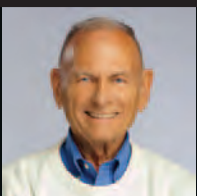

FRIDAY MORNING medical intuitive **Cay Randall-May** introduces an original treatise on the Relationship of Energy and Matter and physicist

Bill Tiller shares his experiences with autistic children as a part of his presentation - Discovering the Power of Human Intention.

FRIDAY EVENING, pioneer **Gladys McGarey**, an advocate of the Edgar Cayce approach, shares with us her passion about Consciousness in the Womb. **SATURDAY MORNING** author and nurse, **Lucia Thornton** presents enlightened views on

Whole Person Caring and **Reverend Erin McCabe** sets the capstone with inspired perspectives about Manifesting Spirit.

THURSDAY & FRIDAY AFTERNOON FORUMS provide theoretical perspectives and opportunities for innovative and experiential activities. The Forum Committee is receiving numerous Forum submissions from outstanding professionals based on various practices and perspectives that bridge science and spirit. **SATURDAY AFTERNOON** attendees are invited to pose questions to members of our **Featured Presenters' Panel**. A special **GROUP CLOSING** ends the conference. *All who register for the conference may apply to offer a 90 minute complementary afternoon Forum session. Attendees may also purchase the optional meal package and share meals at the Unity Inn. Presenters' books will be featured in the Unity Bookstore.*
